

NEWSALERT APRIL 30, 2008

Rupert says, “Shoot with a Camera—Fight with a Pen—Tow with Greenwood”. The entire content is the responsibility of ken and his numerous alter-egos. That doesn’t mean it isn’t so; there are simply many points of view.

This page will be hand-dropped in every mail slot on the block because it concerns the Block—including renters—

And for this *SPECIAL EDITION*, **PRE-STICKER**, *THE FLYER WILL BE PLACED ON THE DOOR OF VEHICLES CROSSING LINES.*

The USD BYLAWS have been approved and signed by Seven Board members. As of this posting, Calvin and Pat are the only holdouts. That doesn’t mean the rules don’t apply to them. Numerous methods have been used to have the BYLAWS delivered and GET THEIR ATTENTION. Read the BYLAWS. By now the tenants have received copies of the BYLAWS from their Landlords. If you haven’t, go to:

<http://www.mayopia.com/UNITSOUTH/UNITSOUTH.html>

and click on USDBYLAWS—get on your LANDLORD. If you want to PARK HERE—FOLLOW THE RULES HERE, please.

After this notice a next step is a VIOLATION sticker on your vehicle glass. And then comes towing.

As soon as the plastic hangtags arrive, AFTER the requirements are met, hangtags will be administered. It is suggested the LANDLORDS require a deposit on the tags since there is a \$50 replacement fee for lost tags.

Once the HANG TAGS are in use the
RULES for HANGTAGS WILL BE STRICTLY ENFORCED.
Once the vehicle is hooked up to the tow truck it will cost \$275 and a trip to GREENWOOD GARAGE above North Avenue to retrieve that vehicle.
READ THE USD BYLAWS.

And don’t forget to thank Calvin.

The USDBYLAWS go into effect April 30, 2008.
