Rupert says, “Shoot with a Camera--Fight with a Pen—Tow with Greenwood”.

This page will be hand-dropped in every mail slot on the block—it concerns the Block. It is also sent out by e-mail and posted on the WEB.

A vehicle on the block was recently relieved of its contents by a passerby—a reminder to keep your doors locked and valuables out of sight. This is also one of the more reasonable “Please move along” reasons to give to anyone loitering in the park. “Do you want to be blamed for missing things? Should I call the cops?” They move along. That also goes for the alley behind the houses where occasional people hang out occasionally when they turn into some other life form without compassion or common sense in their lives, stalking or creeping about with a jug or pipe. Hopkins is up the street.

By now everyone is somewhat familiar with the vehicles parking—please keep an eye open for unusual sightings since the holidays are upon us and people come and go. Excessive smoke and bouncing autos or vans should be observed more closely than others since we should learn something new everyday.

Though Lorie M has signed the Units papers for park ownership we are still waiting for the appropriate signatures from the City of Baltimore. Home owners are asked to keep up their Dues with Jerry since Insurance will be due in the next few months and perhaps a meeting about tree topping and walkway repair are in order since that WISH LIST of 18 months ago was only that—a wish.

Just a reminder that the SECOND and FOURTH FRIDAY of each MONTH is recycling day and mixed plastics, glass, aluminum, paper and cardboard are collected. The parking rules will continue to be enforced; to anyone needing a copy of the bylaws they are available at the site listed at the top of the page. It is also necessary to keep the walkway clear in the park for the rest of the neighborhood; please do your part in asking the drug addicts and drunks to move along.

Happy Hanukah, holy Festivus, Merry Christmas, whatever Kwanzaa, and what’s next New Year
