TO HAVE AND TO HOLD the Mortgaged Property hereby granted or mentioned with the appurtenances, unto the Mortgagee, its successors and assigns to and for the proper use and benefit of the Mortgagee.

PROVIDED, that the conveyance shall be null and void upon the performance of all conditions and stipulations mentioned herein and upon the full payment of the Mortgage Debt secured hereby, interest and all monies advanced or expended, and all other proper costs, charges, commissions and expenses as herein provided. When this Mortgage shall have been fully paid off in accordance with its terms and tenor, it will be duly released by the Mortgagee at the request and expense of the Mortgagor, but in the event of default in the payment of principal or interest under the Promissory Note and as above provided, or if there be a default in any of the conditions, stipulations or covenants of this Mortgage, subject in all cases, to all applicable grace, notice and cure periods, then the Mortgagee may exercise the option of treating the Mortgage Debt hereby secured due and payable. Failure to exercise this option shall not constitute a waiver of the right to exercise it at any other time.

And the Mortgagor, in order more fully to protect the security of this Mortgage, covenants and agrees to do the following:

1. That they will pay on an annual basis a sum equal to the ground rents, if any, next due, taxes or assessments plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property.

2. If the payments made by the Mortgagor under paragraph 1 preceding shall not be sufficient to pay ground rents, taxes, assessments, or insurance premiums when the same shall become due and payable, then the Mortgagor shall pay any amount necessary to

make up the deficiency on or before the date when payment of such ground rents, taxes, assessments or insurance premiums shall be due.

3. That they will pay all taxes, assessments, water rates and other governmental or municipal charges, fines, or impositions, and ground rents for which provision has not been made hereinabove, and will at the Mortgagee's request promptly deliver the official receipts therefore to the Mortgagee, and in default of such payment by the Mortgagor, the Mortgagee may pay the same, and any sum or sums so paid by the Mortgagee shall be added to the Mortgage Debt hereby secured, shall be payable on demand, shall bear interest at the rate of five percent (5%) per annum and shall be secured by this Mortgage.

4. That they will keep the said premises in as good order and condition as they are now and will not commit or permit any waste therefor, reasonable wear and tear accepted and comply promptly with all laws ordinances and regulations affecting the Property or its use.

5. That they will keep the improvements now existing or hereafter erected on the mortgaged property insured against loss by fire and other hazards, casualties and contingencies in such amounts (not to exceed replacement costs) and for such periods as may be required by the Mortgagee, and will pay promptly, when due, any premiums on such insurance provisions for payment of which has not been made hereinabove. All insurance shall name the Mortgagee as an additional insured as its interest may appear. In event of foreclosure of this mortgage or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

6. It is the intention of the parties hereto that the Mortgage shall also constitute a security agreement under the Maryland Uniform Commercial Code so that the Mortgagee shall have and may enforce a security interest, to secure payment of the indebtedness secured hereby in any and all of the Property described in the granting clause hereof and other articles of real, personal or mixed property in addition to (but not in limitation of) the grant made hereby to the Mortgagee as part of the realty, such security interest to attach at the earliest moment permitted by law and also to include and attach to all substitutions and replacements therefor, all contract rights, rental payments and general intangibles of the Mortgagor obtained in connection with or relating to the operation, construction and maintenance of the premises as well as any and all items or Property in the foregoing classifications which are hereafter acquired, and all proceeds and products (cash or non-cash) of any of the foregoing including insurance and proceeds of insurance thereon.

7. That upon a default in any of the covenants of this mortgage, the Mortgagee shall be entitled, after giving written notice to the Mortgagor with a period of

thirty (30) days in which to cure said default, to the immediate appointment of a receiver of the property covered hereby, without regard to the adequacy or inadequacy of the property as security for the Mortgage Debt; and upon any such default, whether or not a receiver has been appointed, the rents and benefits of said property are hereby assigned to the Mortgagee as additional security. Until there is a default under this mortgage, the Mortgagor shall have the right of possession of the said property.

8. It shall be a default under this Mortgage if there is an uncured default under any loan document relating to the development or operation of the Property or under the existing contract between the Mortgagee and Mortgagor dated _____, 2008 which shall include a default under any loan documents securing any permitted senior lien holder.

9. If a monetary or non-monetary default is not cured or commenced to be cured and prosecuted thereafter in good faith and with due diligence (such determination to be made by the Mortgagee with use of reasonable discretion) thirty (30) days following the date of written notice of such default from the Mortgagee, then, the entire Mortgage Debt, at the option of the Mortgagee, shall become due and payable, without further notice and demand and whether or not such option is exercised, interest shall run from such time at the rate of five percent (5%) per annum.

10. That Mortgagor specifically warrants the property herein mortgaged, and that they will execute such further assurances thereof as may be required by the Maryland Rules of Procedures.

AND the said Mortgagor hereby assents to the passage of a decree for the sale of the property hereby mortgaged (the sale to take place after a default in any of the covenants or conditions of this mortgage as herein provided, subject to all grace, notice and cure provisions), and the said Mortgagor hereby also authorizes the said Mortgagee, its successors or assigns or its representatives and its duly authorized Attorney or Agent, after any default in the terms of this mortgage, to sell the hereby mortgaged property, and any such sale, whether under the above assent to a decree or under the above power of sale, shall be in accordance with the Real Property Article of the Annotated Code of Maryland, in accordance with the Maryland Rules of Procedure or any Public General Law or Public Local Law of the State of Maryland relating to deeds of trust or mortgages, including any supplements, amendments or additions thereto. And upon a sale of said property, whether under the above assent to a decree or under the above power of sale, the proceeds shall be applied as follows: (1) To the payment of all expenses incident to such sale, including a reasonable Attorney's Fee and a commission to the party making the sale of said property equal to the commission allowed Trustees for making sale of the property by virtue of a decree of a Court having equity jurisdiction in the State of Maryland; (2) To the payment of all claims of the said Mortgagee, its successors or assigns, under this mortgage whether Mortgagee, its successors or assigns, under this mortgage whether the same shall have matured or not; (3) The surplus (if any there be), to the said Mortgagor, their successors, assigns, or to whomever may be entitled to the same. Commissions and all such expenses

and costs shall be paid by the Mortgagor in the event that the Mortgage Debt shall be paid after any advertisement of said property but before sale thereof.

The covenants herein contained shall bind, and the benefits and advantages shall inure to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.
