The entire content is the responsibility of ken and his numerous alter-egos, **NONE OF WHOM HAVE ANY POWER WHATSOEVER**. That doesn't mean what's written here isn't so; there are simply many points of view.

This page will be hand-dropped in every mail slot on the block because it concerns the Block—including renters.

The Unit South Durham, Inc. is in the final stages of the purchase of 7 South Durham Street—the park and parking. Please mind the Bylaws. For some odd reason an opinion is floated that the return of the POSTS may be necessary.

We're still waiting for the hangtag parking permits. We've been assured that they are on order and should arrive before autumn. Again, with only eight houses, you would think that all of the extraordinary measures for parking fairness would not be necessary but history—video and photographic—proves otherwise.

**Remember:** the **only** reason the Parking remains for the Unit Block South Durham is *the care and preservation of the Pocket Park and Green Space*. Please do your part to keep it safe, secure, clean and green and an open space for the surrounding neighborhood.
