This page will be hand dropped in every mail slot on the block because it concerns the Block—including renters—

The Unit South Durham, Inc. is in the final stages of the purchase of 7 South Durham Street-the park and parking—SLOWLY BUT SURELY, we’ve been told. Please **INFORM CONTRACTORS NOT TO PARK ON THE SIDEWALKS OF THE PARK.** This should be common sense and merely demonstrates a lack of respect for any work on the park in which a very few participate.

It is also the responsibility of individual residents to keep the area in front and back of their residence clear of debris. The heavy rain washes into the sewer system that runs into the harbor and Bay. Don’t expect the landlords to pull your weeds or sweep up your leaves.

It is summer and there have been several occasions where loungers have been asked to move along and they usually do. There is no need to bother the police unless the situation seems unmanageable. It is the responsibility of the **BLOCK** to maintain its own security as per the agreement with the **CITY OF BALTIMORE.**

Remember the only reason the Parking remains for the Unit Block South Durham is the care and preservation of the Pocket Park and Green Space. Please do your part to keep it safe, secure, clean and green and an open space for the surrounding neighborhood.
