Rupert says, "Shoot with a Camera--Fight with a Pen—Tow with Greenwood".

This page will be hand-dropped in every mail slot on the block—it concerns the Block. It is also sent out by e-mail and posted on the WEB.

The Unit South Durham, Inc. is STILL in the final stages of the purchase of 7 South Durham Street—the park and parking—SLOWLY BUT SURELY—we've been told—The "PACKAGE" is in the hands of the City Comptroller OR SO I'VE BEEN TOLD. I was also told this matter would be settled June past.

It is the responsibility of individual residents to keep the area in front and back of their residence clear of debris. The heavy rain washes into the sewer system that runs into the harbor and Bay. Don't expect anyone else to pull your weeds or sweep up your leaves OR PURCHASE your Roundup. I assure you enough money and time is spent spraying between the bricks in the park that I'm just not that good a neighbor to do it for you. Individual dues are still being held onto for the purchase of the park and insurance. Personal out-of-pocket money and three represented homes are used for the upkeep of the park for now.

It is suggested that USD purchase signs for people to pick up after their dogs since there has been a change recently from no dog waste left to mucho crap. The condoms are still plentiful also but a sign will probably not change that a bit. I have a sign catalogue from Greenwood if the group is interested.

Just a reminder that the SECOND and FOURTH FRIDAY of each MONTH is recycling day and mixed plastics, glass, aluminum, paper and cardboard are collected. The parking rules will continue to be enforced; to anyone needing a copy of the bylaws they are available at the site listed at the top of the page. It is also necessary to keep the walkway clear in the park for the rest of the neighborhood; please do your part in asking the drug addicts and drunks to move along.
