Rupert says, "Shoot with a Camera--Fight with a Pen—Tow with Greenwood".

This page will be hand-dropped in every mail slot on the block—it concerns the Block. It is also sent out by e-mail and posted on the WEB.

The Unit South Durham, Inc. is ONE STEP CLOSER since the signing of papers by Lorie M and the payment of a money order for a buck to Ms. LA of the City. The delivery day was one of those Mondays after a no sleep weekend of taxi driving. Luckily I had a friend driving me around since the parking downtown would have made for a handoff even more complicated than it should have been with proselytizing in elevators and street corners for fairness in the TAXI business in Baltimore. It's a curse how I get sucked into this stuff but even though I've had cataract surgery and I'm no longer nearsighted I'm still very nearsighted. If you fall into a bucket of crap what're you gonna do? Hold your nose and keep treading water or clean it up? I'll probably grow my hair and beard long and shout curse words on Street corners soon

It is the responsibility of individual residents to keep the area in front and back of their residence clear of debris. The heavy rain washes into the sewer system that runs into the harbor and Bay. Don't expect anyone else to pull your weeds or sweep up your leaves even though there is the occasional kind hearted soul, Alonzo Calvin's helper or Sean of 30 that clears the entire block. It ain't me, babe. It is the responsibility of the resident not covered in PARK DUES upkeep.

The new material for the property will be posted as soon as possible in the papers block on the USD sight. Thank you, Councilman Kraft and Erin and Mia and Jennifer for all of your help over the past coupla years. Pardon my dust.

Just a reminder that the SECOND and FOURTH FRIDAY of each MONTH is recycling day and mixed plastics, glass, aluminum, paper and cardboard are collected. The parking rules will continue to be enforced; to anyone needing a copy of the bylaws they are available at the site listed at the top of the page. It is also necessary to keep the walkway clear in the park for the rest of the neighborhood; please do your part in asking the drug addicts and drunks to move along. Our condolences--Happy Thanks Giving
